Subject Entering into a Time Charter service agreement with PETCO Trading Labuan Company Limited
To President
 The Stock Exchange of Thailand

Pilatus Marine Public Company Limited ("the Company") would like to inform that the Company has agreed to enter into a Time Charter service agreement with PETCO Trading Labuan Company Limited ("the Charterer"), a subsidiary of PETRONAS, a major petrochemical and lubricant distributor in Malaysia, on July 22, 2024. The contract is valid for a period of 12 months starting on July 25, 2024, onwards. The "Emily Kosan", now renamed "Pilatus 66", the vessel servicing the contract, has a capacity of 3,666 CBM and is classified as an ocean-going vessel. It covers interoceanic transporting routes and meets the needs of customers for transporting petrochemical products (Olefins) and related goods along regional routes in Asia, as well as other routes based on customer requirements.

The Company believes that the aforementioned contract shall expand its customer base and also strengthen its business for sustainable growth.

Please be informed accordingly.

Yours sincerely,
